## Containers for Change

Please remember to save your cans and bottles for fund raising for church activities. Instead of putting them in the recycling bin, bring them to church and put in our can box in the garage or take them to the bottle exchange in most areas and use the Bar Code, to be paid to the church. If each family just filled a paper shopping bag with cans or bottles, this would help our fundraising. Thank you. Please Scan the QR or Bar Code with your phone, for our registration details.

## August Persepective

- ❖ I don't know how I got over the hill without getting to the top.
- ❖ Eventually, you will reach a point when you stop lying about your age and start bragging about it.
- ❖ Don't let anyone tell you that you're getting old. Squash their toes with your rocker.
- ❖ The older we get, the fewer things seem worth waiting in line for.
- ❖ Some people try to turn back their odometers. Not me. I want people to know why I look this way. I've travelled a long way and some of the roads weren't paved.
- ❖ Maturity means being emotionally and mentally healthy. It is that time when you know when to say yes and when to say no, and when to say WHOOPPEE!
- ❖ How old would you be if you didn't know how old you are?
- ❖ You know you are getting old when everything either dries up or leaks.
- ❖ The golden years are really just metallic years: gold in the tooth, silver in your hair.
- ❖ Life would be infinitely happier if we could only be born at the age of and gradually approach 18.
- ❖ One of the many things no one tells you about aging is that it is such a nice change from being young.
- ❖ Age seldom arrives smoothly or quickly. It is more often a succession of jerks.
- ❖ Yeah, being young is beautiful, but being old is comfortable.
- ❖ If you don't learn to laugh at trouble, you won't have anything to laugh at when you are old.

During the school holidays YWAM (Youth With A Mission) and Island Breeze Dancers ran Island Dance Classes for Teenagers which was enjoyed by all who attended. During the rest time they did some baking in the kitchen and then took their goodies and distributed them in the park to those who needed Prayers and Sweet treats.
